CHURCHBRIDGE CREDIT UNION
Bringing Communities Together

Merry Christmas & A Happy New Year

Throughout this season, and as we move into a new year, the board, management, and staff wish you moments of peace amid the difficulties, connections with family and friends even if they can't be in person, the warmth of memories from holidays past, and wonderful glimpses of the joy that still lives under the surface.

Thank you for your patronage!

Fraud increases over 20% during the holiday season. Avoid fraud and scams by following these tips:

1. Have a unique password - especially for your online banking and any accounts linked to your financial information.
2. Use a secure browser when online shopping - do not use public & free Wi-Fi at coffee shops, malls, retail stores, etc.
3. Monitor your credit card & bank statements - check these frequently.
4. Set up alerts for your online banking & credit card usage. Set up Direct Alerts with our MemberDirect® online banking and through MyCardInfo with Collabria Credit Cards.
5. Never give out your financial or personal information online or over the phone.
6. Do not share your login information with anyone but yourself.
